

Join the Toronto Stroke Networks for an in-person workshop:

Chedoke-McMaster Stroke Assessment

The Chedoke-McMaster Stroke Assessment (CMSA) measures physical impairment and disability in clients with stroke/neurological impairment. The CMSA workshop provides participants with the knowledge and skills to enable them to use the measure as both a clinical and research assessment tool.

Objectives

By the end of this session, participants will:

- Increase their knowledge of how to administer the measure.
- Build competence and skills in their use of the CMSA.
- Receive guidance on how to maintain use of the CMSA.

Date and Location

Date: Tuesday, January 13th 2026

Time: 8:30 AM- 4:00 PM.

(Registration begins at 8:15 AM)

Location: 6th floor, Fell Pavillion, Room 103, Toronto Western Hospital (399 Bathurst St, Toronto, ON)
