Enhancing Patient and Caregiver Stroke Education: Practical Approaches and Sustainable Solutions

Wednesday Dec 2, 2026, 0800-0900h EST*

Objectives: Upon completion participants will be able to:

1. Describe how Toronto Rehab refined and enhanced its patient and caregiver stroke education across inpatient and outpatient programs to improve delivery, accessibility, and impact.

2. Identify key learnings and practical strategies from Toronto Rehab for implementing and sustaining a similar educational program.
